

*Brilliant. Inspiring. Glorious.*

Shen Yun Performing Arts returns to The Kennedy Center Opera House on January 26 - 30, 2011 for another spectacular with an *All-New* 2011 program and a live orchestra.

It's traditional Chinese culture as it was meant to be - a brilliant blend of beauty, energy, and grace. Dozens of dancers in dazzling costumes move in seamless, flowing patterns. Thunderous drums shake the stage, while spectacular backdrops take you to another world.
