

# NN/LM Washington DC Power Outage Summit

September 5, 2012

9:00am - 12:30pm (1:30pm - 4:30pm workshop/class)

Library of Congress/James Madison Building/Mumford Room

*Please join us for a morning of speakers and discussion about the impact of a power outage on library services and collections and the roles libraries and librarians can play in their communities or institutions in response to a major power outage. In addition, separate afternoon sessions will feature a workshop on building your library's readiness and a disaster information specialization certificate class.*

*There is no charge to attend the morning or afternoon sessions. Seating is limited. Please register at: <http://nnlm.gov/sea/training/register.html>. Use the dropdown menu on the form to register for the Summit and, if you wish, then use the back arrow on your browser to register for **either** the Information Roles in Disaster Management class or the Improving Your Library's Readiness workshop.*

*Contact Dan Wilson ([danwilson@virginia.edu](mailto:danwilson@virginia.edu)) for further information.*
