

# DINE FOR A CAUSE

Join the Restaurant Association of Maryland for a week of delicious meals at discounted prices in one of over 20 participating restaurants! In addition to the already reduced prices, a portion of the proceeds will go to the Yellow Ribbon Fund. The Yellow Ribbon Fund (YRF) fills the gap in support for injured service members and their families, delivering services not provided by the military or government, including: Housing and Transportation, Caregiver Support, Social Events, Mentoring and Veteran Outreach. More than 80 cents of every dollar spent since YRF's beginning has gone to meet the needs of injured service members and their families.
