

# *Disaster Preparedness for Hospitals and Healthcare Organizations within the Community Infrastructure*

## **August 10-11, 2016**

**Pierce College  
9401 Farwest Drive S.W.  
Lakewood, WA 98498**

**Registration is Free! Parking passes will be available for attendees. Refreshments provided in the morning. Lunch available for purchase in the cafeteria or bring your own.**

Protecting the critical infrastructure of the United States is essential to the Nation's security, public health and safety, economic vitality, and way of life. Hospitals and healthcare organizations are part of the critical infrastructure as identified in the National Infrastructure Protection Plan (NIPP). Join us at no cost for this two-day national disaster preparedness course. This course will focus on preparedness processes and activities, this course provides hospitals and healthcare personnel an opportunity to acquire the knowledge, skills, and abilities necessary to help them ensure the sustainability of their facilities and organizations during all types of disasters.

### **Continuing Education Credits Available**

- 1.50 CEUs
- 15.25 hours—Emergency Nurse Association (ENA)

This continuing nurse activity was approved by the [Emergency Nurses Association](#), an accredited approver of continuing nursing education by the American Nurses Credentialing

*Hosted in conjunction with DHS/FEMA National Training Program, Texas A&M Engineering Extension Service (TEEX), Texas A&M University System and the National Emergency Response and Rescue Training Center (NERRTC)*
