

# WHAT THE D.C. AUTO SHOW ISN'T SHOWCASING...

General Motors, Toyota, Fiat-Chrysler and other automakers are siding with Donald Trump against clean cars, clean air and climate action.

These automakers picked the wrong side.

**Tell General Motors, Toyota, Fiat-Chrysler and other automakers to protect clean car standards:**

**[sc.org/CleanCars](https://www.sc.org/CleanCars)**

**Who supports clean car standards?**

**It's a no brainer.**

**PEOPLE WHO:**

- *Like to save money on fuel*
- *Care about the planet*
- *Want to breathe clean air*
- *Support the right of states to protect residents from pollution*
