and Buffet Lunch** - *Exhibit Hall A*
- 1:00 pm – 3:00 pm **Opening Plenary** – *Location – Marriott Ballroom Salon II*
Welcoming Remarks & NHMA & HDA 2020 Priorities

Elena Rios, MD, MSPH, FACP
President & CEO

National Hispanic Medical Association

Manuel A. Cordero, DDS, CPH

Executive Director & CEO
Hispanic Dental Association

Federal Leadership for Hispanic Health

Moderator: Elena Rios, MD, MSPH, FACP

President & CEO
National Hispanic Medical Association, Washington, DC

ADM. Felicia Collins, MD, MPH – invited

Deputy Assistant Secretary, Director, Office of Minority Health
US Department of Health and Human Services

Speaker TBN

Timothy L. Ricks, DMD, MPH, FICD

Rear Admiral (RADM), Assistant Surgeon General
Chief Dental Officer, US Public Health Service
Deputy Director, Indian Health Service Division of Oral Health

Q&A

Safety Net Trends for the Hispanic Community

Moderator: Judith Flores, MD, FAAP, CHQM

Chairwoman of the Board
National Hispanic Medical Association, Brooklyn, NY

Bruce Siegel

CEO
Essential Hospitals, Washington, DC

Nicholas Tejada, FACHE

Past Chairman, Board of Directors
Institute for Diversity and Health Equity, American Hospital Association
Group Chief Executive Officer, The Hospitals of Providence Transmountain Campus, El Paso, TX

William A. McDade, MD, PhD

Chief Diversity and Inclusion Officer
Accreditation Council for Graduate Medical Education, Chicago, IL

Q&A

3:00 – 3:30

Break in Exhibit Hall A

3:30 pm – 4:30 pm

Workshop A

A1. Research: Latino Health Research – Maryland A – CME – CDE – supported by Sanofi

Moderator: Pilar Guerrero, MD, FACEP

Assistant Professor
Rush Medical College, Chicago, IL

Influenza: A Unique Problem in Vaccination

Bert Johansson, MD

Department of Pediatrics

Texas Tech University Health Sciences Center, El Paso, TX

Integrated efficacy and safety analysis of GT1–6 treatment-naïve, non-cirrhotic and compensated cirrhotic patients who received 8 weeks of glecaprevir/pibrentasvir

Julio Gutierrez, MD

Transplant Hepatologist, Gastroenterologist, and Obesity Medicine
Transplant Institute, Coronado, CA

Human Papillomavirus Vaccination Coverage and Its Potential Impact on Oral Squamous Cell Carcinoma In the U.S. Hispanic Population: A Systemic Literature Review

Aidee Nieto- Herman, DMD, MScD, CAGS

Associate Professor in Periodontology
Tufts University School of Dental Medicine, Boston, MA

A2. Latino Children’s Health – Maryland B – CME – CDE

Moderator: Adriana Semprum-Clavier, DDS, MS

Clinical Associate Professor, Director of Advanced Standing Program
University of Illinois, Chicago, IL

SKATE: A Successful Medicaid Care Model for Latino Children with Special Health Care Needs

Luz Adriana Matiz, MD

Associate Professor of Pediatrics
Columbia University, New York, NY

Black Teeth Aren’t Always Bad

Mark Ortega, DDS, MSD

Board Certified Pediatric Dentist, Montebello, CA

A3. Policy: Medicare and Medicaid Updates for Medical Practice – Maryland C – CME

Moderator: Maria M. Garcia, MD, MPH, FACP

Professor of Medicine
University of Massachusetts Medical School, Boston, MA

Calder Lynch – invited

Acting Deputy Administrator & Acting Director
Center for Medicaid & CHIP Services
Centers for Medicare and Medicaid Services, US DHHS

Cheri Rice - invited

Deputy Director, Center for Medicare
Centers for Medicare and Medicaid Services, US DHHS

Physician ICD-10 Codes for Social Determinants of Health

Nelly Leon-Chison, RHIA

Director of Coding and Classification
American Hospital Association, Chicago, IL

A4. Elderly and Mental Health – Virginia A – CME – CDE

Moderator: Yanina Jouzy, DDS

Sunshine Smile Dental, San Dimas, CA

Pisando Fuerte: An evidence-based program to prevent fall in Seniors

Maria Mora Pinzon, MD, MS

Scientist
University of Wisconsin, Madison, Madison, WI

Understanding Emotional Effects of Cancer in the Latino Community

Carlos Naranjo

Pharmacovigilance Specialist, Cancer Therapy Evaluation Program, Silver Spring, MD

Oral Health for Older Adults with Dementia

Elisa M. Ghezzi, DDS, PhD

Consultant, Michigan Geriatric Dentistry Network

Provider, Vioage Dental

Past Chair, Coalition for Oral Health for the Aging

Adjunct Clinical Assistant Professor, University of Michigan School of Dentistry

Oral Health Workgroup of the Gerontological Society of America, South Lyon, MI

A.5. Medical Education: Leadership & Burnout – Virginia B – CME

Moderator: Jane Binger, EdD

Senior Advisor, Center of Excellence in Diversity in Medical Education, Stanford

Medicine; Co-Founder & Coach, DeepTok, Palo Alto, CA

Transforming Physicians into Leaders

Miriam Zylberglait Lisigurski, MD, FACP

Associate Program Director, Internal Medicine

Aventura Hospital and Medical Center, Aventura, FL

Interprofessional Education and Practice to Serve Our Community

Javier Sevilla-Martir, MD

Professor of Family Medicine and Assistant Dean of Diversity

Indiana University Medical School, Indianapolis, IN

Speaker TBN

4:30 pm – 5:30 pm

Oral Health and Latinos – Virginia B

Moderator: Rosa Chaviano-Moran, DMD

Associate Dean for Admissions, Rutgers School of Dental Medicine, Newark, NJ

Contemporary Innovations as Practice Builders

Matilde Hernandez, DDS, MS, MBA

Scientific Affairs Manager North America

Colgate Oral Pharmaceuticals

4:30 pm – 5:30 pm

NHMA Interest Group Meetings: Strengthening NHMA at City & State Levels

NHMA Chapter Leaders and Premier Members of NHMA – Maryland A

Facilitator: Ricardo Correa, MD and Diana Torres-Burgos, MD

NHMA Council of Young Physicians and Council of Residents – Maryland B

Facilitators: Anna Mora Pinzon, MD and Julianna Jaramillo, MD

Latino Surgical Society – Maryland C

Facilitator: Minerva Romero, MD

Latino Medical Student Association – Virginia A

Facilitator: Julia Su, LMSA President

5:30 pm – 7:30 pm

NHMA Awards Reception – Young Physicians and Residents of the Year – Exhibit Hall A – supported by PhRMA

- 5:30 pm – 6:30 pm **HDA Past Presidents Reception**
- 6:30 pm – 9:00 pm **HDA 30th Anniversary Awards Reception**
Recognizing students and new dental professionals – Location
- 7:30 pm – 8:30 pm **Centene State Leaders Dinner – (Closed) – Salon I – Supported by Centene Corporation, RSVP required for providers to meet States Executives – CME**

Saturday, May 2, 2020

- 7:30 am – 5:30 pm **Registration – Convention Registration Desk, Lobby Level**
- 7:30 am – 4:30 pm **Health Career Advancement Exhibits; Community Health Fair; Hispanic Health Research & Community Service Posters (Continental Breakfast 7:30am-9:30am)**
Exhibit Hall A
- 7:30am – 8:50 am **Breakfast Symposium: Technology and Health Care – supported by NIH – Salon I - CME**
Moderator: Diana Ramos, MD, MPH, FACOG
Assistant Clinical Professor
Keck School of Medicine of USC, Los Angeles, CA
- All of Us Research Program/NIH and Technology – Wearables, Open Access Subjects for Research, Genetic Testing and more**
Speaker TBN
- Technology for Patient Education
Facebook, T-Mobile – Speakers TBN - invited
- The Power of Combining Technology and Media to Improve Health Literacy and Health Access in the Latino Community
Edith Bracho-Sanchez, MD
Assistant Professor of Pediatrics
Columbia University, NY, NY
- 9:00 am – 10:30 am **Plenary: Healthcare Priorities of the 2020 Congress – Salon II - CME**
Moderator: Elena Rios, MD, MSPH, FACP
President & CEO
National Hispanic Medical Association, Washington, DC
Speakers, Senate and House of Representatives Health Committees – TBN invited
- 10:45 am – 12:45 pm **Scientific Educational Sessions**
B.1 – C.1: Diabetes Educational Session – Salon 1 - CME
- Welcome and Introductions
Chair: Enrique Caballero, MD
Endocrinologist, Faculty Director of Diabetes Education, Postgraduate Medical Education
Harvard Medical School, Cambridge, MA
- Clinical Case Presentation
Enrique Caballero, MD
- Description: A Latino/Hispanic patient with type 2 diabetes with high cardiovascular and chronic kidney disease risk who has not achieved treatment targets and faces multiple medical, social, psychological and cultural challenges to improve diabetes control and reduce the risk of diabetes-related complications

Key Pathophysiological Abnormalities and Clinical Manifestations of Type 2 Diabetes, the Metabolic Syndrome and Related Disorders in Latinos/Hispanics

Joanna Mitri, MD

Endocrinologist

Joslin Center, Cambridge, MA

Description: This presentation will describe the current understanding of the Development of type 2 diabetes, obesity, non-alcoholic fatty liver disease and the Metabolic syndrome in Latino patients with type 2 diabetes. It will also guide attendees on how to evaluate and address some of these diabetes related disorders in routine clinical practice in these patients.

Current Status of Diabetes, Cardiovascular and Renal Disease in the Latino/Hispanic Community

Fidencio Saldana, MD, MPH

Dean for Students, Cardiologist

Harvard Medical School, Cambridge, MA

Description: This presentation will describe the pathophysiological connection among diabetes, cardiovascular and chronic kidney disease. In addition, it will guide attendees on how to assess cardiovascular risk in Latino patients with type 2 diabetes and provide practical strategies to manage key cardiovascular and renal factors in this population.

Diabetes Education for the Latino Patient with Diabetes: Why, When, Where and How?

Ricardo Correa, MD, EsD, FACP, FAPCR, CMQ

Endocrinology, diabetes and metabolism fellowship program director

University of Arizona College of Medicine, Phoenix, AZ

Description: This presentation will illustrate the common challenges but also related opportunities to optimize diabetes patient education programs geared at the Latino/Hispanic community. Some examples of successful intervention will be shared with the audience as well as some key information on community resources to improve diabetes education in this high-risk group

The “A to Z” for the Management of Type 2 Diabetes in the Latino Community and Other Culturally Diverse Populations

Enrique Caballero, MD

Description: This presentation will guide the audience on how to practically evaluate and address frequent biological, psychological, emotional, social and cultural factors that influence the development and course of type 2 diabetes among Latinos/Hispanics. Dr. Caballero has published an “A to Z” list that include these factors and how to address them in clinical practice.

Revisiting the Clinical Case + Panel Discussion

B.2 – C.2: Cardiovascular Disease Education Session: - Salon II - CME

Welcome and Introductions

Chair: Carlos J. Rodriguez MD, MPH, FACC, FAHA

Professor of Medicine, Cardiologist

Albert Einstein College of Medicine, The Bronx, NY

Overview of epidemiology, pathophysiological and clinical manifestations cardiovascular disease in Latinos/Hispanics highlighting the importance of disaggregated data

Fatima Rodriguez, MD, MPH

Assistant Professor of Medicine, Cardiologist

Stanford University Medical Center, Stanford, CA

Description: This presentation will describe the current understanding of cardiovascular disease in Hispanics, as a diverse ethnic population, varying in race, national origin, immigration status, and other socioeconomic characteristics. It will also guide attendees on how the impact of disaggregated data in routine clinical care and assessment of cardiovascular risk in the Hispanic population.

Current status of Heart Failure (HFpEF and HFrEF) disparities and treatment in the Latino/Hispanic community

Hector O. Ventura, MD, FACC, FACP

Section Head, Cardiomyopathy and Heart Transplantation
Ochsner Medical Center Cardiology, New Orleans, LA

Description: This presentation will describe the pathophysiological connection of heart failure with cardiovascular risk factors such as diabetes, obesity, and hypertension in the Hispanic population. In addition, it will guide attendees on how to distinguish HFpEF and HFrEF and provide practical strategies to manage key heart failure conditions in the Hispanic population. This presentation will also address the important intersection of biological, psychosocial, emotional, and cultural factors that influence the development and course of cardiovascular disease among Latinos/Hispanics.

Dyslipidemia in the Latino/Hispanic community

Leandro Slipczuk Bustamante, MD, PhD, FACC

Director of the Advanced Cardiac Imaging Program and the Cardiovascular Atherosclerosis and Lipid Disorder Center at Montefiore Cardiology Division
Albert Einstein College of Medicine, The Bronx, NY

Description: This presentation will describe the various lipid disorders relevant to the Hispanic population. It is not just LDL-C that is important among Hispanics but also mixed dyslipidemia, apoB and Lp(a) levels. Familial hypercholesterolemia (whether homozygous or heterozygous) will be discussed as this condition is likely underappreciated and undertreated among Hispanics.

Coronary Heart Disease (angina, heart attacks and coronary revascularization) in the Latino patient: Why, when, where and how

Mauricio G. Cohen, MD, FACC, FSCAI

Professor of Medicine
University of Miami Miller School of Medicine, Miami, FL

Description: This presentation will illustrate the common challenges but also relate opportunities related to management of coronary heart disease in the Hispanic population. Some examples of successful interventions will be shared with the audience as well as some key information on community resources to improve cardiovascular health in this high-risk group.

The Hispanic Paradox debate: Is it relevant to cardiovascular disease in the Latino populations

Cesar Jose Herrera, MD

Cardiologist
Albert Einstein University/Montefiore Medical System, Bronx, NY

Description: This presentation will guide the audience on the differing perspectives of the Hispanic Paradox and its influence on cardiovascular disease management in the Hispanic population.

Pro: Speaker will present on the positive aspects of the Hispanic Paradox and why it is important when considering the biology, prevention, treatment and care of cardiovascular disease in Hispanics.

Con: Speaker will present on cautions of the Hispanic Paradox how to practically evaluate and address our gaps of knowledge of the Hispanic Paradox as it pertains to the development and course of cardiovascular disease among Latinos/Hispanics.

Panel Discussion

10:45 am – 11:45 am

Workshops B

B.3 Key Decisions in Medicine and Surgery Careers – *Maryland A - CME*

Moderator: TBN

Speakers TBN

B4. Mental Health: Immigrants- The Border and Beyond: US-Mexico Border Refugee Family Separation – *Maryland B - CME*

Moderator: TBN

Serving the Underserved: Addressing Health Care Disparities and Advocacy in a Border Community

Francisco Fernandez, MD

Professor of Psychiatry

and

Alfonso Mercado, MD

Associate Professor, Department of Psychological Science

University of Texas Rio Grande Valley School of Medicine, Harlingen, TX

US-Mexico Border Health Documentary

Leonel Lopez III, MD

Family Practice Post Doc Fellow

Yale School of Medicine

B5: Oral Health: Community Outreach – *Virginia A – CDE*

Moderator: Martha Mutis, DDS, MPH

Assistant Professor, Nova Southeastern University

Change Behavior Strategies in After School Programs to Decrease the Intake of Sugary Drinks and to Improve Oral Health in Multicultural Programs

Luz Marina Aguirre, DMD

Assistant Professor of Dental Medicine

Division of Pediatric Dentistry, Section of Growth and Development

11:45 am – 12:45 pm

Workshops C

C3: Surgical Spotlight on Latino Healthcare supported by the Latino Surgical Society – *Maryland A - CME*

Moderator: Minerva Romero Arenas, MD

President, Latino Surgical Society

UTRGV School of Medicine, Harlingen, TX

April Mendoza, MD

Co-director, Surgical Nutrition

Assistant in Surgery, Harvard Medical School

Associate Director of Trauma Research

Jonathan Villena-Vargas, MD

Resident in Cardiothoracic Surgery

Chantal Reyna, MD, FACS

Assistant Professor of Surgery, Breast Surgical Oncologist

University of Cincinnati College of Medicine

C4. Medical Care and Health Literacy for Violence, Trauma – *Maryland B - CME*

Moderator: Elizabeth Lee-Rey, MD, MPH
Private Medical Practice Partner
Eastchester Medical Associates, PC, Bronx, NY

Traumatic Stress in Latino Immigrant Adolescents

Mayela Leal Chanchi, MD
MedStar Georgetown University Hospital, Washington, DC

Introduction Model of Integrated Mental Health into Primary Care for Immigrant Youth

Maria Aramburu de la Guardia, MD
Assistant Professor
MedStar Georgetown University Hospital, Washington, DC

Health Literacy Principles for Latino Patients

Russell Bennett, MBA, CHIE
Consultant
Institute of Healthcare Advancement, La Habra, CA

Alejandro Javier Rios Tovar, MD – invited

General Surgeon, El Paso, TX

C5: Oral Health: Clinical Care – CDE

Moderator: Jose Alamo, Jr., DMD
Neo Dentistry – Austin, TX

Facial Deformities

Edwin A. del Valle-Sepulveda, DDS, FAAOMS, JD
Attending Staff Oral & Maxillofacial Surgeon, V.A. Caribbean Healthcare System San Juan, PR
Partner, Caribbean Oral & Maxillofacial Surgery Associates, Ponce & Caguas, PR

1:00 pm – 2:30 pm

Luncheon: Latino Health Care and Social Determinants of Health – Salon 2 – CME-
supported by Centene Corporation

Moderator: Nereida Correa, MD, MPH
Associate Clinical Professor of Obstetrics, Gynecology, & Women’s Health
Albert Einstein College of Medicine, Bronx, NY

Blue Cross Blue Shield Association, Uber - Speakers – TBN

Gloria Wilder, MD
Centene Corporation, Washington, DC

2:30 pm – 4:00 pm

Health Career Advancement Exhibit Hall and Poster Presenter Awards – Exhibit Hall A

Book Signing – Heart to Beat: A Cardiac Surgeon’s Inspiring Story of Success and Overcoming Adversity—The Heart Way – Brian Lima, MD, FACS, Director of Transplant Surgery, Northwell Health, NY - Exhibit Hall A

4:00 pm – 5:00 pm

Workshops D

D1. Clinical Care: HIV, Health Communications and Literacy – *Maryland A – CME – CDE – supported by CDC Working Together Against HIV*

Moderator: Anna M. Munne, DDS
Anna M. Munne, PA & Associates, Houston, TX

HIV Prevention and Latinos

CAPT. Kenneth Dominguez, MD, MPH (USPHS) – *invited*

Medical Epidemiologist

Centers for Disease Control and Prevention, Atlanta, GA

Improving Patient and Provider Communication: A Case Study at Mount Sinai Health System

Lourdes Sanchez, MS, CMI

Director of Implementation

LanguageLine Solutions, Monterey, CA

and

Giselle Lopez-Ingram

Language Coordinator, Language Assistance Program

Mount Sinai Health System, New York, NY

HIV – Dentistry’s Role in Ending the HIV Epidemic

David Reznik, DDS

Chief of Dental Medicine

Director, Oral Health Center, Infectious Disease

President, HIV Dental Alliance

Associate Director, NYU-Lutheran Georgia AEGD Program, New York, NY

D2. Value-Based Care/Business of Medicine – *Maryland B – CME – CDE*

Moderator: Gilbert Burgos, MD, MPH, CPE

Chief Medical Director

Nassau Queens Provider Performing System, East Meadows, NY

Halving Readmissions Rates: Effectiveness of Cano Health TEACH II (Telehealth After Critical Hospitalization) Study on 30-day Readmission Rates Among Latino Medicare Advantage Patients

Richard Aguilar, MD

Chief Clinical Officer

Cano Health, LLC, Miami, FL

and

Morgan Conger

Electronic Health Records Technician

Cano Health, LLC, Miami, FL

Value-Based Healthcare and Quality Metrics- What every clinical should know

Johanna Vidal-Phelan MD

Senior Medical Director, University of Pennsylvania Medical Center, Philadelphia, PA

Communications for Compliance

Yanina Jouzy, DDS

Sunshine Smile Dentistry, San Dimas, CA

D3. Women’s Health – *Maryland C – CME – CDE*

Moderator: Sergio Rimola, MD, FACOG

Attending Physician, OB-GYN Department

Inova Fairfax Hospital, Vienna, VA

Critical Analysis of Improving Access for Pregnant Latinas in Washington, DC

Audrey Lucille Escobedo-Escotto

COO, Emerson Community Clinic, Silver Spring, MD

The Changing Cervical Landscape- What Physicians and Latinas Need to Know

Ysabel Duron

Founder / CEO of the Latino Cancer Institute, San Francisco, CA

Women's Health and the Oral Cavity: Causes and Consequences

Brittany Bergeron, DDS

Immediate Past President and Director of Corporate Relations
American Association of Women Dentists (AAWD)

D4. Organizational Development Interactive Meeting for Medical Societies, Health Professional Associations, Patient Advocacy Organization Leaders – Virginia A – supported by NLBHA

Moderator: Elena Rios, MD, MSPH, FACP

President & CEO

National Hispanic Medical Association, Washington, DC

Harold Philips, MRP – invited

Senior HIV Advisor, Office of Infectious Disease and HIV/AIDS Policy (OIDP)

Chief Operating Officer, Ending the HIV Epidemic (EHE)

Centers for Disease and Control Prevention, Atlanta, GA

Substance Use Treatment and Behavioral Illness Prevention for Latinos

Pierluigi Mancini, PhD

Project Director, Hispanic/Latino Center of Excellence for Substance Use Disorder Treatment and Recovery Program and the Hispanic/Latino Prevention Technology Transfer Centers
National Latino Behavioral Health Association, Albuquerque, NM
and

Dr. Ruben Lozano, PharmD

President, Board of Directors

National Latino Behavioral Health Association, Albuquerque, NM

and

Fred Sandoval, MPA

Executive Director

National Latino Behavioral Health Association, Albuquerque, NM

D5. Emerging Health Issues: Opioids and Vaping – Virginia B – CME – CDE – supported by Aetna Foundation – CVS Health

Moderator: Victor Rodriguez, DDS, MEd

Clear Lake Dental Associates, Houston, TX

The Opioid Crisis and its Impact in Latino Communities

Hector Perez, MD, MS

Assistant Professor, Medicine

Albert Einstein College of Medicine/Montefiore Medical Center, Bronx, NY

and

Patricia de Lima, MD

Resident

Montefiore Medical Center, Bronx, NY

Speaking of Vaping, What Do You Know?

Larry Williams, DDS

Associate Professor

Midwestern University College of Dental Medicine, Downers Grove, IL

5:00pm – 6:00 pm

NHMA International Medical Graduates Group – Virginia C

6:30 pm – 7:30 pm **National Hispanic Health Conference Gala Reception – Marriott Ballroom Foyer**

7:30 pm – 11:30 pm **National Hispanic Health Conference Gala & Dance – Marriott Ballroom Salon I- II - CME**

Master of Ceremonies: Raul A. Reyes, Contributor to CNN and NBC Latino - *invited*

Welcome: Elena Rios, MD, MSPH, FACP
Judith Flores, MD

Keynote Speaker: Sister Norma Pimental
Executive Director, Catholic Charities of the Rio Grande Valley

NHMA Hispanic Health Leadership Awards Ceremony

- **Government**
- **Corporate**
- **Physician of the Year**
- **NHMA Council of Medical Societies, Hispanic Health Professional Associations and Hispanic Advocacy Organizations**

Entertainment/Dancing

Sunday, May 3, 2020

8:00 am – 11:30am **NHMA 2020 Leadership Symposium (Breakfast): Artificial Intelligence Trends in Medicine for Health Equity – supported by the AMA - Maryland A & B - CME**

Moderator: Elena Rios, MD, MSPH, FACP
President & CEO, National Hispanic Medical Association – Washington, DC

8:00 am Breakfast

8:30 am Welcome, *Why Healthcare AI?*
Elena Rios, MD, MSPH, and Claudia Zamora, NHMA Board of Directors

Keynote Speaker
Aletha Maybank, MD, MPH
Chief Equity Officer
American Medical Association

9:00 am Key Concepts in AI and Healthcare Applications - *invited*

Anthony Reina, MD
Chief AI Architect for Health and Life Sciences
Intel

Speakers TBN

10:00 am Key Considerations to Address Risks and to Optimize Benefits
Mark Sendak, MD, MPP
Population Health & Data Science Lead
Duke Institute for Health Innovation
Duke University
Speakers TBN

11:00 am Next Steps
Facilitators: Claudia Zamora, Sylvia Trujillo, JD, Robert Jarrin (*invited*)

Additional Events:

Friday, May 1, 2020

- 3:30 pm – 4:30 pm **National Hispanic Health Foundation Board of Directors Meeting** (*closed*)
4:30 pm – 6:00 pm **NHHF/NHMA Corporate Advisory Board Meeting** (*closed*)
11:00 am – 7:30 pm Exhibits on Health Career Advancement (for Physicians, Residents, Medical Students, Health Professionals and others) – *Exhibit Hall A*

Saturday, May 2, 2020

- 7:30 am – 4:30 pm **Exhibits on Health Career Advancement –Community Health Fair – Breakfast, Breaks -**
Exhibit Hall A
- 10:00 am – 4:00 pm **NHMA College Health Scholars Program**
*supported by the U.S. Department of Health and Human Services Office of Minority Health
Cooperative Agreement (2017- 2022) – Exhibit Hall A*
- 11:00am – 2:00pm Lectures on Academic, Personal Development and Financing – *Virginia C*
Moderator:
Speakers: TBN
- 2:00 pm – 4:00 pm Recruiters from Medical, Dental, Nursing, Public Health, Science Graduate Programs – *Exhibit
Hall A*
