

Practitioner Papers Sought!

The 18th International Conference on Information Systems for Crisis Response and Management (ISCRAM 2021) has announced that practitioners may submit a 500-3000 word paper to its May 23rd-26th, 2021 interactive virtual conference. The submission deadline is February 14, 2021.

This global community of researchers, academics, & practitioners is a perfect forum for practitioners to share real-world experiences.
